## WELCOME MESSAGE

The Organising Committee of the Annual Scientific Congress has arrived at a very difficult decision to hold the Annual Scientific Congress 2021 as a fully virtual conference in view of the travel restrictions, standard operating procedures, due processes and other regulations associated with the COVID-19 pandemic. This decision is made in the best interest for all parties be they delegates, speakers, presenters and biomedical industry partners. The date remains as 6<sup>th</sup> to 8<sup>th</sup> August 2021 and the theme is “MyAnaesthesia 2021: Dawn of a New Era”.

The Scientific Committee will be drawing up a programme which, as before, will be both educational and stimulating to cater to anaesthesiologists, intensivists, trainees, medical officers, medical students and allied health professionals. We hope to provide a platform to promote the exchange and update of knowledge and advancement in technology.

Please come and join us for this annual event. It is about time for us to network and renew our acquaintances as we missed one last year.

A handwritten signature in black ink, appearing to read 'M. Mansor'.

**Professor Dr Marzida Mansor**

President, Malaysian Society of Anaesthesiologists,  
Organising Chairperson, MSA and CoA Annual Scientific Congress 2021

## CALL FOR PAPERS / SCIENTIFIC PRESENTATIONS

The Scientific Committee invites prospective authors to submit their abstracts for presentation at the 2021 Annual Scientific Congress of the Malaysian Society of Anaesthesiologists (MSA) and the College of Anaesthesiologists, AMM in the following categories:

1. Anaesthesia
2. Pain Medicine
3. Intensive Care Medicine

All presentations will be in electronic poster (e-Poster) format except for those selected for oral presentation (slide presentation) for the following awards:

1. MSA Young Investigator Award
2. MSA Award

For abstracts shortlisted to compete for the MSA Young Investigator Award, MSA Award and e-poster Prizes, authors will be invited to present an oral or poster presentation (based on the shortlisted category) at a designated time during the congress.

The Scientific Committee will review each abstract submission and a notification will be sent informing the required format your abstract will be presented in.

Authors are required to submit their abstract in electronic format and must use the electronic template provided when submitting their abstracts. Please log-on to **[www.msa.asm.org.my](http://www.msa.asm.org.my)**

**Deadline for Submission of Abstract: 15<sup>th</sup> June 2021**

### IMPORTANT NOTES FOR SUBMISSION OF ABSTRACTS

1. Abstracts are to be submitted in English.
2. You must obtain the relevant consents and approvals before submitting the abstract.
  - a. You may be asked for more information during the assessment of your abstract.
  - b. Authors must ensure information regarding ethics approval and patient consent is readily available.
  - c. If you do not have the required consents or approvals, your abstract will not be accepted to the congress.
3. Abstracts will only be considered for awards and prizes if they have not previously been presented at a scientific meeting, or published in a journal.
4. Authors who have applied to compete in the MSA Young Investigator Award or MSA Award and whose abstracts are not selected can opt for the poster presentation if they choose to do so.
5. Abstracts must be accompanied by payment of registration fees.
  - a. If the abstract is subsequently not accepted for presentation, the registration fee will be refunded to the author in accordance with the cancellation policy at the behest of the author.
6. Notification of acceptance will be sent by 15<sup>th</sup> July 2021.
  - a. Scheduling details and guidelines for the final preparation of accepted abstracts will be included with the notification of acceptance.
7. The final selection will be under the responsibility of the Scientific Committee.

## AWARDS AND PRIZES

### MSA YOUNG INVESTIGATOR AWARD

The MSA is proud to announce the Young Investigator Award for original work in the fields of Anaesthesiology, Intensive Care and Pain Medicine.
