

Malaysian Society of Anaesthesiologists & College of Anaesthesiologists, AMM ANNUAL SCIENTIFIC CONGRESS 2024

My Anaesthesia 2024: Where Science Meets Art

PRECONGRESS WORKSHOP 1st August 2024

Malaysian Society of Anaesthesiologists

College of Anaesthesiologists, AMM

THORACIC ANAESTHESIA WORKSHOP

UPDATED VERSION

Limited to 30 participants

Cohen blocker

EZ-blocker

CPD POINTS AWARDED

Venue : Cardiothoracic Anaesthesia and Perfusion Unit (new building)
Pusat Jantung, Hospital Sultan Idris Shah, Serdang

Facilitators : Dato' Dr Norly Ismail
Dr Zuhrah Zakaria
Dr Amiruddin Nik Mohamed Kamil
Prof Young Jun Oh
Dr Lee Kok Tong
Dr Wan Nabilah Nik Nabil
Dr Ng Yew Ewe

Target audience : Anaesthesiologists, Anaesthetic Registrars, Medical Officers

Registration fee : **RM250** (On or Before 31st July 2024)
RM280 (On-Site, 1st August 2024)

BRIEF SYNOPSIS

With increasing incidence of respiratory diseases worldwide, thoracic surgery has become more common. It is our role as anaesthesiologist to provide optimal lung isolation, ensure haemodynamic stability and manage postoperative pain well.

The learning objectives of this workshop are:

1. Provide the latest updates on lung isolation and regional anaesthesia for thoracic surgery.
2. Discuss special circumstances, such as the role of ECMOs in airway surgery and NiVATS.

TENTATIVE PROGRAMME

0800-0900	Registration
0900-0945	Current Updates in Lung Isolation Dr Ng Yew Ewe
0945-1030	A Novel Triple-Cuffed DLT for Super Easy Lung Separation (Ventibronc Anchor) Prof Young Jun Oh
1030-1100	Morning Break
1100-1145	Current Updates in Regional Anaesthesia in Thoracic Surgery Dr Wan Nabilah Nik Nabil
1145-1230	Non-intubated Anaesthesia in Video-Assisted Thoracoscopic Surgery (NiVATS) Dr Amiruddin Nik Mohamed Kamil
1230-1400	Lunch & Prayer
1400-1520	Practical Session (2 Groups) - Lung Isolation - Regional Anaesthesia
1520-1540	Tea Break
1540-1700	Practical Session (Participants swap in between 2 stations)
1700	End of session
